## OBJECTIVES

The project *My Europe – Our future*, financed by the **Erasmus+** programme, aims at the realization of two periods of exchange of 30 youths between the ages of 18 and 30. The first exchange will take place in Cesena from July 12<sup>th</sup> to 18<sup>th</sup> 2017 and the second will be in September 8<sup>th</sup> to 13<sup>th</sup> 2017 in Zabbar (Malta).

The project wants to deepen the topic of active civic participation and develop the skills of young people, through mobility experiences and the participation in democratic life in Europe. During the two mobility periods of *My Europe – Our future* will be organised round tables about the daily challenges of our local realities, such as access to the labor market, active citizenship and intercultural dialogue.
